Dear Lisa,

How's everything going? I'm fine here in Paris for a summer school. I am busy but happy here. I have twenty hours of French class a week. From Monday to Friday, there are four classes in the morning for listening, speaking, reading, and writing, one hour for every class. In the afternoon, I have class for sports, and I like my time to play sports with my new friends. I can also learn a lot of French from them.

I'm going back to Taiwan in three weeks. Hope to see you soon.

Yours,

Betty
